THE MISSION CONTINUES

2020
BID FOR CAUSE
Classroom Enhancements

At the 2019 auction the GCS community greatly blessed their students with a technology upgrade on every campus. The positive impact was felt immediately the following year, but even with that, no one foresaw how much it would be needed in this remote education world. While our halls are empty, the mission still continues! Please join us in this year's *Bid for Cause* as we enhance every classroom. Let us welcome our children home and thank our teachers with every item on their wish list! Thank you and God bless!
