

WHAT TO EXPECT

Both the morning and the afternoon kick-off with a short devotional time and a time of fun with all of the students combined. Then we break off into our own classes and begin to create!

The camp is offered in a morning, afternoon, or all-day format. Students may select one class in the morning and one class in the afternoon or take only a morning or afternoon session. Lunch is not provided, so students who choose to stay all day should pack a lunch. We will have a time of recess between sessions.
