

# Honors Reading Program 2023-2024

## Rising 7th - Rising 8th Graders

Due to the success of Grace Christian School's Honors Reading Program, we want to continue on with our goal of encouraging students and their parents to spend time reading. The books to be read are not part of the regular school curriculum, so that those who complete the standards have truly gone above and beyond what the school requires. Those who aspire to and complete these books will be recognized at our end-of-the-year program.

Some specific guidelines and distinctives of the program are:

1. Students may read books at or above their grade level, but not below. Books over 300 pages count as 2 books.
2. A signed parental verification form (attached) will supply confirmation of a student reading an entire book. Parents are asked to record the books they have read to their child as well.
3. There will be 2 honors levels: gold and silver.
4. In order to qualify for the award, the student must read the required number of books and the parent must meet the read aloud requirements (see chart below).
5. The program will run from June 1st until May 6th. The signed verification form must be submitted to the school office by May 13th to be considered for the end-of-the-year award.
6. This is an optional program but is highly encouraged. Books read for the "Book It" program may be counted for the Honor's Reading Program as well. Also, students in grades 6-8 (rising) may count their summer reading project books toward this program. The required reading for Worldview class may also count.
7. Parents may check out books from the school library during the school year. The books *Honey for a Child's Heart* and *Books Children Love* are also good resources. These are available in the school office. You may also check with the classroom teacher for suggested reading material.
8. A book of the Bible does count as a chapter book.
9. Have Fun!

<b>Requirements For:</b>	<b>Grade</b>	<b>Parent Reads to Child</b>	<b>Child Reads Independently</b>
<b>Gold</b>	7-8	1	15
<b>Silver</b>	7-8	0	12
