Student Name: May 2025

#### METHODOLOGY AND PURPOSE

Because Grace Christian School is committed to providing students a strong literary education, multiple works of literary merit are read and analyzed throughout the school year in high school English. In addition, students are given a summer literature assignment in order to...

- foster a lifelong love of reading.
- provide the opportunity to keep sharpening literacy skills.
- motivate them to read for pleasure while guiding them to make sound choices.
- *foster the correlation between reading and writing skills.*
- encourage them to discover and develop a sense of ownership in their reading lives.
- prepare them for success in high school, pre-college testing, and college itself, as supported by studies that reveal that the number of books read in summer is consistently related to academic gains, significant vocabulary gains take place when students read in the summer, and significant fluency gains take place through summer reading programs.

#### **ASSIGNMENT SPECIFICS**

- No book substitutions, even upon request. No abridged versions. No audiobooks.
- This is a required assignment with two optional components, each with corresponding grade percentages.
- The assignment grade is a Quarter 1 major English grade.
- The assignment is due at the beginning of English class on Monday, August 18, 2025.
- Grade deductions will be applied for late submission, per the Family Handbook.
- The assignment is considered complete when <u>both the reading completion form and all nine literature</u> responses are submitted and all assignment guidelines and instructions have been followed.
- **REQUIRED—reading and writing (for a 79% grade)**: Select a book from the provided **FICTION** list that you have not previously read. Read the entirety of the book and hand-write the nine responses about the book on the provided pages. If the book counts as two, the grade earned is 89%. TAKE THE FOLLOWING INTO CONSIDERATION WHEN MAKING THIS SELECTION:
  - Do not select a book marked as << *Not an option for required reading.*>>.
  - Acquire a physical copy of the book, whether new or used; purchased or borrowed.
    - If you will be borrowing the book, and it will not be available to you throughout Quarter 1 of the school year, you must select a book that is not marked with an asterisk so that you can access it on <a href="mailto:gutenberg.org">gutenberg.org</a>, a collection of e-books in the public domain, during Quarter 1.
    - MAJOR PAPER: You will need access to the book because the first major paper of the school year is an analysis of the character arc of this book's protagonist, as revealed by the character's words, thoughts, actions, and/or reactions throughout the story.
- **OPTIONAL**—**reading only (for an 89% grade):** In addition to the required reading and writing, read the entirety of another book on the provided <u>fiction or nonfiction</u> lists that you have not previously read. If the book counts as two, the grade earned is 100%.
- **OPTIONAL**—**reading only (for a 100% grade):** In addition to all of the above, select and read the entirety of another additional book from the provided <u>fiction or nonfiction</u> lists that you have not previously read.

Questions about this assignment should be emailed to Kathy Kilmer, HS Language Arts Chair, <a href="kkilmer@gcswarriors.org">kkilmer@gcswarriors.org</a>.
