

Science 7 - Mr. Auwarter

Classroom rules

- Come prepared for class
 1. Book and assignments out on your desk
 2. Writing utensils ready to go
 3. Mind engaged and ready to learn
- Speaking in class
 1. When Mr. A is speaking, you are not
 2. When another person, you are not.
 3. Class discussions are encouraged, but we must remember to be respectful to those speaking already. Please raise your hand to be recognized by Mr. A
- Homework
 1. Will be limited to two days a week, typically Tuesday and Thursday
 2. Reviewing notes daily is encouraged to prepare for tests
- Reading assignments and quizzes
 1. Reading for the next days class will usually occur Monday, Tuesday, and Thursday
 2. Quizzes may be given over the reading assignments at the beginning of class the following day.
- Tests
 1. We typically have three tests per quarter.
 2. Reviewing notes daily we help in the preparation for them
 3. Study guides will also be given
- Projects
 1. The main one will be the Bug & Leaf collections - due mid September.
 2. Other projects are scheduled for each quarter.
- Field trips for science 7 -
- Discipline
 1. We will follow the GCS discipline code, outlined in the student handbook
 2. A phone call home may be used if a matter arises where Mr. A could use parental support with. :)
- Communication via: Renweb or Google Classroom

- Please pray daily for your students physical, mental, and spiritual growth. Also for a God honoring 2020-2021 school year.

- I am personally excited to see what God has for us this school year

Mr. Ric Auwarter
