

## GCS MIDDLE SCHOOL DRESS CODE for GIRLS (updated 5/13/19)

Grace Christian School gives middle school students the privilege of a dress code rather than requiring uniforms. Cooperation with these standards reflects maturity, accountability and respect for authority, traits that are important in developing young adults of character and followers of Christ. We rely on our partnership with families to reinforce these guidelines and to help our students make wise decisions about their appearance at school. The emphasis of the dress code focuses on modesty, neatness and cleanliness. All clothing should be in good repair. If students arrive dressed inappropriately, they will be instructed to correct the situation. If unable to comply, he/she will be asked to call a parent to bring clothing to the school or wear alternative clothing provided by the school. The school administration will serve as the final authority in interpreting and enforcing this dress code.
