HELP TODAY

Your gift will benefit the Grace Fund, which will provide students with additional opportunities in academics, technology, fine arts, and athletics.

HELP TOMORROW

GCS is pointing to the One who served us first. Students are taught to look beyond themselves to see where God can use them. Our students will honor Christ as future community leaders, employees and employers, friends, spouses, parents, and more!

Would you help us continue to serve our neighbors?

Every October, Grace Christian School students take a day to leave the classroom and serve their neighbors in tangible ways. This large, one-day effort is only the beginning of a year of service!

Would you consider supporting your student in their service with an honorary gift? You can give a one-time gift or give monthly to help us continue to live out our motto, "coram Deo," -- before the face of God. When we ask you to support GCS, we are not referring only to buildings where academic excellence is the standard, but are inviting you to support a community of teachers, staff, and parents working together to prepare students to take on the world and lead lives to the glory of God. Thank you for helping GCS students support their community!
